DISCLOSURES AND CUSTOMER CONSENT TO TRANSFER**

Please read and initial each statement below to confirm you have read and understand the disclosures related to the transfer of your Affordable Connectivity Program benefit to Sierra Tel Internet.

- _____ I acknowledge that my Affordable Connectivity Program (ACP) benefit will be transferred to Sierra Tel Internet.

- _____ I understand that my ACP benefit will be applied to service from Sierra Tel Internet and will no longer be applied to service retained from my previous provider.

- _____ I understand as a result of transferring my ACP benefit to Sierra Tel Internet; I may be subject to my previous provider's undiscounted rates if I choose to retain service from that provider.

- _____ I understand that I am limited to one ACP benefit transfer per service month, with limited exceptions where a subscriber seeks to reverse an unwanted transfer or is unable to receive service from a specific provider.

- _____ For my household, I affirm and understand that the ACP is a federal government subsidy that reduces my broadband Internet access service bill and, if for any reason I no longer qualify for the program, my household will be subject to Sierra Tel Internet's undiscounted general rates, terms and conditions if my household continues to subscribe to the service.

I acknowledge that I have received the disclosures related to my request to transfer my Affordable Connectivity Program (ACP) benefit. I understand these disclosures, and I consent to the transfer of my ACP benefit to Sierra Tel Internet.
